

Words can't even come close to expressing the rewards I have received tutoring at Talita Cumi. I have had the privilege to mostly work with the younger elementary boys. With God's grace we work together to expand the boys mental, physical, and spiritual growth. The boys work hard and have a yearning desire to learn. We work to improve their fine and gross motor skills as well. I have been teaching for many years, but this experience at Talita Cumi has been by far the most life-changing. I have learned more from the exceptional staff and students than they will ever know. Talita Cumi is a "God thing". He has provided and every individual serves Him faithfully. My husband and two daughters have also been involved at TC. Together we are humbled by our loving heavenly Father to provide the opportunities serving Him at Talita Cumi. The TC staff and students accepted me from day one and we are one big family. Nothing warms your heart more than the genuine hugs and being called tía(aunt).
