TALITA CUMI

2018

QUINCEAÑERA AND KIDS DAY

Our twins (Luis and Valeria) celebrated their quinceanera at Talita! Tio Nick (past SALTER) was even here for the celebration. We also celebrated Kids Day by going to the park after school for an afternoon of games and hot dogs - yum!

World Cup fever

To celebrate the start of the world cup we had our own: TC World Cup 2018! The kids were separated into four teams and had to give presentations about their countries. Then we played soccer! Congratulations to the winners Team Germany!

SPONSORS WANTED!

We need sponsors who are prayer warriors and want to have a relationship with our kids. Our kids feel extra special and loved when they have a friend who sends them letters and prayers. Furthermore, sponsors help the home build security in managing the budget.

If you are interested in being a sponsor please send an email to talitacumi@talitacumi.org. We can also help match you with a child to sponsor.

In the past couple months TC has received generous donations from sponsors who went above and beyond. Rodrigo now goes to soccer camp, Daniela is able to continue her cooking classes, we have a classroom FULL of new desks, and the children have new pants for school! God is good - thank you TC Family!

**THANK
YOU
SPONSORS**

For those of you who do not know me, hi I am Lexi the SALTER from Central Mennonite Committee and I have been working at Talita for the past 11 months. However it is now time for me to go home.

For those of you who do know me - a million thank yous. Moving to a new country to do a new job all alone is scary. Luckily I had a support system here waiting for my arrival with open arms.

I arrived to Bolivia with no friends or family - and I am leaving with both. The kids, Tias, and volunteers will always have a piece of my heart.

I cannot thank you enough for supporting Talita with donations, prayers, etc. Without you this wonderful home would not be open.
